

WE ARE GROWING

POSITIONS AVAILABLE FOR IMMEDIATE START

WEB DESIGNER

- Hobart CBD/Remote options available
- Casual Positions, Hours Negotiable
- Growth and Advancement Opportunities Available

We are an energetic, fast-paced and charismatic squad of digital natives – and we're seeking a creative, problem-solving web designer to work with our diverse team of designers, developers, marketers and business-people.

You'll work with a wide and diverse range of clients from different industries and be a part of providing leading web design and development services which are tailored to the personalised needs of our clients.

We'd love you to have a minimum of 2 years of professional or personal experience working with:

- UI/UX Design
- Figma/Sketch/Adobe XD or similar design software
- Vector graphics
- HTML, CSS
- Visual web page builders
- Content Management Systems (WordPress or similar) (preferred)
- Web Programming languages (PHP or JavaScript) (preferred)

This is a fun and exciting, but demanding role. We are looking for someone who can manage their time well and work to competing deadlines. You should be able to work and communicate effectively in a team environment but also have a demonstrated ability to work autonomously when required.

5/24 Davey St, HOBART

As part of the Sarox family you will be provided plenty of opportunities for career advancement and professional development. Sarox is an equal opportunity workplace. We always seek affirmative opportunities for inclusion around employment.

Remuneration and working conditions will be negotiated with the successful applicant.

WHAT WE'LL NEED TO SEE

- Your CV/Resume (please be creative with this – we hate reading boring CVs as much as you hate writing them)
- Cover Letter (again – be creative + grab our attention)
- Address of Selection Criteria
- Professional/Character Reference List of 2-4 clients, workplaces or people
- Portfolio of previous work/projects relevant to this role (make sure they show the full extent of your abilities)
- Formal education qualification (if applicable)
